OWNER: Onsen Hot Pools Ltd
BUILDERS: Cook Brothers Construction

PRODUCTS

- | Toilet & Shower Cubicle Partitions - City Trim Range
- | Lockers in the Durasafe Range
- | Compact Laminate Bench Seating

Situated in an incredibly scenic location overlooking arguably the most beautiful section of the Shotover river, Onsen Pools is a unique project completed with a high-end fit-out incorporating several special finishes

The Onsen Hot Pools site involved a two-story extension which effectively tripled the size of their current facility! The Duraplan team enjoyed supplying and installing the cubicle partitioning, lockers & bench seating throughout the facility.
