PRODUCTS

| Toilet Cubicle Partitioning - 'Altitude Range'
| Wall Panelling - 'DuraLam Range'

Westlake Boys High School is one of Auckland's top tier private high schools, with state of the art facilities and excellent academic results. Duraplan Systems enjoyed designing and installing beautiful and long-lasting bathroom facilities to the school, giving the students a great restroom experience and helping them reach their full potential.

Working alongside Shakthi Construction, the Duraplan team enjoyed supplying and installing the Cubicle Partitioning in our 'Altitude Range' for Westlake Boys High School.
