Durasafe – Our Durasafe Lockers are the ideal storage solution for the safe keeping of personal belongings. The Durasafe Locker range provide robust and flexible solutions which are suitable for all wet and dry environments and are able withstand the demands of heavy usage.

Not only do these lockers provide secure personal storage, but they are also a highly effective solution for saving space where it is so often at a premium. With the combination of 13mm compact laminate and the all supplied accessories such as locks, kick boards, hanging rods and ventilation options these lockers are designed and built as tough systems. They are highly durable and water resistant which hold the all-important attractive appearances that are easy to maintain.

| SPECIAL FEATURES

DuraSafe washroom lockers feature clean contemporary designs that can be easily configured to fit an organisation's existing facility or to represent a company's brand. The surface is also designed to match most communal spaces, meaning you're investing in a fixture that looks good with the rest of your interiors. They are made of high-grade materials and quality hardware to withstand heavy use in demanding environments.
